PROFESSIONAL DEVELOPMENT:

UW MADISON CERTIFIED PUBLIC MANAGER PROGRAM: currently enrolled and ½ way completed with this two-year program designed to teach government leaders how to be more effective and efficient in leading government organizations. Anticipated graduation date of December of 2008.

2005 Graduate of “Leadership Waupaca County-successfully completed 9 month leadership course through the U.W. Extension professional development course taken with other community leaders, including our City Clerk and from the public and private sector of Waupaca County. The interactive course focused upon the establishment of relationships between government and private sector entities in an effort to learn from each other and provide more responsive, cost-effective services to our residents.

2005 Participant in the National Center for Mission and Exploited Children’s Chief Executive Officer Safe School Seminar-this 2 day, federally grant funded seminar was held in October of 2005, where the Manawa School District Superintendent and I, as Chief of Police, learned how to continue to enhance our partnership with each other in developing safe schools in our school district. The class emphasized the response plans, discussed pertinent types of strategies to effectively deal with certain types of critical incidents that take place in a school setting and led to the development of school safety best practices that we together have implemented in our community in Manawa.
